Standard Colours
Ucrete DP10, DP20, DP30, HF60RT, MF, MT, MF40AS, RG, UD200

Optical differences of individual systems

All Ucrete systems come in a standard colour range:
Cream, Yellow, Red, Light Grey, Grey, Light Green and Green

These pictures are examples only. The exact colour of each Ucrete floor will depend on the chosen system and the local conditions. Under UV radiation, Ucrete can yellow and change colour over time.
