<td>Thoroseal Gray</td>
<td>MasterSeal 581 Grey</td>
<td>Waterproof Cement-Based Coating for Concrete, Brick and Masonry</td>
<td>One 50 lb bag</td>
<td>80492 01018 3</td>
<td>MasterSeal 581 is a portland cement-based coating for concrete and masonry that provides protection against water, dampness and seepage. Mixed with MasterEmaco A 660, MasterSeal 581 creates a low maintenance and highly durable waterproof barrier that is NSF certified for potable water applications.</td>
