April 1, 2014

To Whom It May Concern:

This is to certify that MasterBrace 6063 UW epoxy resin (formerly Hydrocote 1063), as supplied by BASF Corporation, fully meets the performance requirements listed in our current Product Data Guide, BASF Form Number 1031097.

Please note that, as part of the Master Builders Solutions® brand launch, MasterBrace 6063 UW became the new product name for what was formerly Hydrocote 1063. The name change became effective April 1, 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned product data guide.
