

We create chemistry

January 15, 2014

To Whom It May Concern:

This is to certify that MasterProtect H 200 water repellent (formerly Enviroseal 20), as supplied by BASF Corporation, fully meets the performance requirements listed in our current Product Data Guide, BASF Form Number 1019665.

Please note that, as part of the Master Builders Solutions® brand launch, MasterProtect H 200 became the new product name for what was formerly Enviroseal 20. The name change became effective January 15, 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned product data guide.

Regards,

A handwritten signature in black ink, appearing to read "BKH".
