To Whom It May Concern:

This is to certify that MasterSeal NP 2 joint sealant (formerly Sonolastic NP2), as supplied by BASF Corporation, fully meets the performance requirements listed in our current Product Data Guide, BASF Form Number 1017911.

Please note that, as part of the Master Builders Solutions® brand launch, MasterSeal NP 2 became the new product name for what was formerly Sonolastic NP2. The name change became effective January 15, 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned product data guide.
