To Whom It May Concern:

This is to certify that MasterSeal Traffic 2000 deck membrane system (formerly Conipur Plus System), as supplied by BASF Corporation, fully meets the performance requirements listed in our current Product Data Guide, BASF Form Number 1033971.

Please note that, as part of the Master Builders Solutions® brand launch, MasterSeal Traffic 2000 became the new product name for what was formerly Conipur Plus System. The name change became effective January 15, 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned product data guide.
