To Whom It May Concern:

This is to certify that MasterSeal Traffic 2530 deck membrane system (formerly Conipur E System), as supplied by BASF Corporation, fully meets the performance requirements listed in our current Product Data Guide, BASF Form Number 14000124.

Please note that, as part of the Master Builders Solutions® brand launch, MasterSeal Traffic 2530 became the new product name for what was formerly Conipur E System. The name change became effective January 15, 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned product data guide.
