**MasterTop® GP 500 (Formerly Selby 700)**
**Product Information Statement for LEED® 2009 Credit Documentation**

MasterTop® GP 500 is a decorative epoxy coating system for use interior.

The system is created using the following components:
- MasterTop® GP 500 Pt A
- MasterTop® GP 500 Pt B
- MasterTop® PGM 500

BASF Corporation certifies the following information for MasterTop® GP 500 System:

**Recycled Content**
Recycled content of the MasterTop® GP 500 System components is not available at this time.

**VOC Content**
MasterTop® GP 500 System components all have a VOC (Volatile Organic Compound) content of 0 g/L.

**Rapidly Renewable Materials**
MasterTop® GP 500 System component MasterTop® GP 500 Pt A contains 5.6% by weight rapidly renewable material.

Based upon the above information, BASF Corporation certifies that the MasterTop® GP 500 System could contribute to the following LEED NC Credits:

**MR Credit 6:** Rapidly Renewable Materials
**EQ Credit 4.2:** Low-Emitting Materials: Paints & Coatings
