To Whom It May Concern:

This is to certify that MasterTop TC 565 PTA epoxy resin (formerly A665), as supplied by BASF Corporation, fully meets the performance requirements listed in our current Product Data Guide, BASF Form Number 1000085.

Please note that, as part of the Master Builders Solutions® brand launch, MasterTop TC 565 PTA became the new product name for what was formerly A665. The name change became effective January 15, 2014. The product has undergone no formulation or raw materials changes as a result of this effort and all physical and performance characteristics remain as outlined in the aforementioned product data guide.
