**MasterWeld® 626 (Formerly known as DegaSeal 26)  
Product Information Statement for LEED® 2009 Credit Documentation**

MasterWeld® 626 is a hybrid polyurethane-based sealant for use either interior or exterior.

**Manufacturing Locations**

Brighton, CO (approx. 22 miles north of Denver)

**Recycled Content**

MasterWeld® 626 recycled content is not available at this time and should be assumed to be 0% for the purposes of LEED reporting.

**Regional Materials**

MasterWeld® 626 is manufactured in **Brighton, CO 80216**. Extraction and processing location is not available at this time.

**VOC Content**

BASF Building Systems certifies that the VOC (volatile organic content) of MasterWeld® 626 is 5 g/l and therefore can contribute toward LEED EQ Credit 4.1: Low Emitting Materials: Adhesives & Sealants. Please refer to BASF Form No. 1031661 for more information.

Respectfully,

LEED Administrator
