## Ucrete® UD200 SR

### Product Information Statement for LEED® v. 4 Credit Documentation

Ucrete® UD200 SR is a heavy-duty polyurethane trowel applied floor finish system with enhanced slip-resistance.

The system is created using the following components:

Ucrete® UD200 SR Part 1  
Ucrete® UD200 SR Part 3

Ucrete® UD200 SR Part 2  
Ucrete® UD200 SR Part 4

BASF Corporation certifies the following information for Ucrete® UD200 SR:

#### **MR Credit Building Product Disclosure and Optimization—Environmental Product Declarations**

An Environmental Product Declaration (EPD) is not available for Ucrete® UD200 SR.

#### **MR Credit Building Product Disclosure and Optimization—Sourcing of Raw Materials**

Raw Material Source and Extraction Reporting is not available for Ucrete® UD200 SR.

#### **MR Credit Building Product Disclosure and Optimization—Material Ingredients Option 1: Manufacturer Inventory**

Material Ingredient Reporting is not available for Ucrete® UD200 SR.

Health Product Declaration and Cradle-to-Cradle Reporting is not available for Ucrete® UD200 SR.

#### **EQ Credit Low-Emitting Materials**

***Ucrete® UD200 SR system, as mixed and applied, has a V.O.C. content less than 50g/L which satisfies the VOC content requirements of this credit for interior use.***

Emissions Test Reporting is pending for Ucrete® UD200 SR.
